

I listen to K-LOVE on 96.5 FM. It serves me all day long with its commercial-free, positive and encouraging music and insightful information. It would be devastating to our local community if K-LOVE were to be displaced by an LPFM broadcaster providing other programming. K-LOVE serves up a unique blending of Christian contemporary music 24/7, commercial free, with inspirational information and helpful advice, always positive and always encouraging. Please do all you can to keep our FM K-LOVE on the air.
